Competition Overview

Timeline

****As a condition to receipt of a prize, each First Round prize winner must agree to grant Sponsor a non-exclusive license to their winning Submission.****

Second Round Prizes: \$1,150,000 USD Total

- First Place Prize - \$1,000,000 USD
- Second Place Prize - \$100,000 USD
- Third Place Prize - \$50,000 USD

****As a condition of receipt of a prize, each Second Round prize winner must (1) beat the Zillow benchmark model (as described below) and (2) deliver the final model's software code as used to generate their winning Submission and associated documentation (consistent with the winning model documentation template available on the Kaggle wiki at <https://www.kaggle.com/wiki/WinningModelDocumentationTemplate>) to the Sponsor. The delivered software code must be capable of generating the winning Submission and contain a description of resources required to build and/or run the executable code successfully. For clarity, if no Participants beat the Zillow benchmark model, Sponsor is not required to award any prizes in the Second Round.****

WINNING THE SECOND ROUND AND \$1 MILLION DOLLARS

To be one of the three winners in the second round, you must achieve both of the following:

- Beat a Zillow benchmark model trained on the same competition data when making predictions on sales during the Second Round Sales Tracking Period; and
- Be one of the top three teams on the private leaderboard after the final private leaderboard update
